Why Us?

Testimonials

★★★★★ — John Doe

Client testimonials (if any) goes here or replace this section with something else. Anything beyond this is placement text & will not make any sense. Demo proof I make about final car.

○ ● ○

Since 1988, Bill's Automotive has provided motorists in the Bentonville, AR area with comprehensive auto repair services that include car and truck care, engine maintenance, heating and cooling services, electrical services, electronic services and machine shop. Our goal is to offer the best services available at affordable prices to get you back on the road in no time.

You'll be hard-pressed to find the same level of expertise that our auto mechanic specialists provide! We have years of experience working on both domestic and import vehicles of all makes and models and can work with you to find cost-effective repair and maintenance alternatives.

For a high-performing vehicle, trust Bill's Automotive with your car, truck or van. To learn more about the services we offer, please contact us by phone at 479-273-2227 or send us an email. We also invite you to learn more about our dedication to you, our valued customer.

Photo

Services Offered

To keep your vehicle running properly at all times, we offer a number of services that are carried out by our certified, expert auto service and repair technicians who have years of experience performing everything from oil changes to a complete engine overhaul.

We use high-tech diagnostic equipment to guarantee your vehicle is repaired and serviced correctly the first time around and we only use the highest quality replacement parts, filters, oils and components.
